Professional Summary

Final-year Computer Science Engineering student with strong foundations in Data Structures and Algorithms, Java, and full-stack web development. Hands-on experience building scalable backend systems using Node.js, Express, MySQL, and MongoDB, along with real-world AI/ML applications. Actively seeking Software Development Engineer (SDE) or Backend Developer roles.

Technical Skills

Programming Languages: Java, Python, JavaScript, C

Backend Technologies: Node.js, Express.js, REST APIs, JWT Authentication

Frontend: React, HTML, CSS

Databases: MySQL, MongoDB

AI / ML: TensorFlow, Keras, Scikit-learn, XGBoost

Tools & Platforms: Git, GitHub, Linux, Postman, VS Code

Core CS: Data Structures & Algorithms, OOP, DBMS, OS, Computer Networks

Projects

Disease Detection of Pomegranate using Deep Learning

- Designed and implemented a hybrid deep learning system combining CNN, meta-feature extraction, and Gradient Boosting, achieving 99.41% accuracy.
- Built a complete ML pipeline including data preprocessing, training, evaluation, and inference.
- Deployed the solution as a web application using FastAPI and React for real-time disease prediction.

Code Snippet Library (Full-Stack Application)

- Developed a full-stack web application enabling users to share, vote, and comment on code snippets.
- Implemented secure JWT-based authentication and role-based access control.
- Designed RESTful APIs using Node.js and Express, integrated with MySQL.
- Built a responsive frontend using React and handled API integration.

Mini Banking System

- Built a Java-based banking system supporting account creation, deposits, withdrawals, and balance tracking.
- Integrated MySQL database for persistent storage and secure authentication.
- Applied OOP principles and modular design for maintainability.

Achievements & Participation

- Winner – Tech Competition, College Event
- Participant – TCS Tech Bytes 2025 (State Level IT Quiz)
- Participant – HackVyuha (National Level Hackathon)

Education

- **B.E. in Computer Science and Engineering** 2022 – 2026
BLDEA College of Engineering and Technology, Vijayapura
CGPA: 8.05
- **PUC (12th)** 2021 – 2022
Shantiniketan PU College, Vijayapura
Percentage: 91.83%
